Complex problem-solver with analytical and driven mindset. Dedicated to achieving demanding development objectives according to tight schedules while producing impeccable code.

## WORK EXPERIENCE

**Fascom Ltd.** ————— **March 2022 – Present**

### Software Engineer (React native)

- Developed reusable components and libraries for future use.
- Optimized application performance, reducing load time by 30% across devices and screen sizes.
- Implement caching mechanisms and troubleshoot performance bottlenecks.
- Deployed applications to the App Store and Google Play Store.
- Ensured application quality, performance, and responsiveness.

**Outsource In Pakistan (OIP)** ————— **August 2021 – March 2022**

### Team Lead (Web and Mobile App)

- Implemented pixel-perfect UI components ensuring cross-browser compatibility.
- Led cross-functional communication for smooth project execution.
- Provided technical guidance and mentorship to junior developers.
- Conducted code reviews to ensure scalability and performance.
- Investigated and resolved complex technical issues and bugs.

**Tafsol Technologies** ————— **August 2020 – August 2021**

### Senior Associate

- Collaborated with design teams to translate wireframes into functional components.
- Ensured seamless integration with back-end services and APIs.
- Maintained mobile applications using React Native for IOS and Android.
- Applied best practices in front-end architecture and design patterns.

**Ciphers Lab** ————— **June 2019- December 2019**

### ReactJS Developer

- Contributed to the design and implementation of new features and functionalities for web applications.
- Wrote clean, reusable, and efficient code following best practices.
- Took initiative in learning new skills and techniques to enhance your development capabilities.

## EDUCATION

Bachelors of Computer Science

University Of Karachi

2016 - 2019

## TECHNICAL SKILLS

### Frontend Technologies:

- HTML5/CSS3
- ReactJS
- Material UI (MUI)
